

Prevention Education Training Resources

It is vital to have a well-trained team that understands prevention. Compiled here are some available training resources provided by Partners in Prevention, other statewide coalitions, national agencies and more. This is not an exhaustive list but may be a good starting place for newer team members. You can also consult our 'Foundational Materials' document in the Community Organizer Resources section of the Engage portal within the Implementation Resources folder.

Partners in Prevention Training Resources

- [PIP Trainings - mopip.org/pip/trainings/](https://mopip.org/pip/trainings/)
- Monthly PIP Coalition Meeting Recordings (available on Basecamp or contact our staff to access recordings at pip@missouri.edu)
- [Recommended Reading Publications - mopip.org/pip/recommended-reading/](https://mopip.org/pip/recommended-reading/)
- [Partners in Prevention Book List - mopip.org/pip/wp-content/uploads/2025/02/PIP_Reading_List.pdf](https://mopip.org/pip/wp-content/uploads/2025/02/PIP_Reading_List.pdf)
